

ALASKA DISCOVERY GEAR FOR SALE

We are offering a selected line of clothing and equipment to our guests to help enhance your comfort and wilderness experience. We have gathered a selection of items to buff out your wardrobe, feather your camping nest, ease your packing angst, and satisfy your urge for more Alaskan art, literature, and information.

***The items we believe are necessary while camping in Alaska's wilderness are marked with an asterisk.** Other items will simply add to your comfort, knowledge, or souvenir collection.

All the gear listed below will be available for purchase at our office in Gustavus or Juneau. **WE DO NOT SHIP.*** We are limited to stock on hand, so if there is anything you must have, call or email us and we will reserve it for you. For more information or to reserve gear, call Butch Carber at 907-780-6505, 1-800-586-1911, or email gear@akdiscovery.com

*(for other departure cities, we may be able to accommodate gear requests and have it waiting for you upon your arrival. Please check with us well in advance.)

binoculars

We have researched and field-tested some of the best binoculars on the market, and we believe we have found one that suits just about any condition, especially wet or marine environments.

The Bushnell Legacy is a waterproof, fog proof binocular that has excellent optics and offers great field of vision. We highly recommend these for wildlife viewing while paddling and hiking.

Because of the importance of having good binoculars on our trips, we are offering these at a significant discount. These are binoculars you can use for the rest of your life.

10x26 Model
